Active Website Introduces New Mobile Interface Technology for Enterprise Network

FOR IMMEDIATE RELEASE

Denver, CO – Active Website has added an exciting new Mobile Interface option available for all of its Enterprise Network Member websites. The website technology provides a home page specifically formatted and optimized for mobile phones.

The mobile version includes:

- Navigation linking to the property search, agent roster, home search account, and company contact information
- Quick Search form
- A link to the Advanced Search
- Featured Property listing including a photo, address information and a link to the property details page where visitors can add properties to Favorites
- A link to view the full version of the website

The streamlined mobile version appears automatically for mobile devices visiting any of our live Network member sites including:

Company	Website	Location
Charles Reinhart Company	www.reinhartrealtors.com	Ann Arbor Real Estate
The Group, Inc.	www.thegroupinc.com	Fort Collins Real Estate
The Kentwood Company	www.kentwoodrealestate.com	Denver Real Estate

About the Enterprise Network

The Enterprise Network member base is by invitation only. It is comprised solely of private real estate firms, meaning no national brands are accepted. We only work with one company per market place. This exclusivity allows for open collaboration and sharing of information within The Network, free from any conflict of interest. The goal for our members under the Enterprise Network umbrella is that they gather to address the technology demands that are emerging in today's changing Real Estate markets, and together make the best decisions concerning implementation of systems and solutions, ultimately leveraging everyone to higher levels of business.
