The Active Enterprise Network Makes REAL Trends Top 500 List for 2009

PRESS RELEASE

Denver, CO – REAL *Trends* has just released their annual Top 500 List for 2009 and we are proud to announce that several members of [The Active Enterprise Network](#) have made the list. In their 23rd year of producing this comprehensive report, REAL *Trends* ranks the largest and most successful residential brokerages in the country based off transactions, sales by volume and other core services related to real estate.

Showing they can thrive in a down market, The Enterprise Network made an impressive appearance on the 2009 report. Members made the list for Largest Brokers in the U.S. by Closed Transaction Sides, Largest Brokers in the U.S. Ranked by Closed Sales Volume, Top Leading Real Estate Companies of the World Affiliates, The Largest Independents, The Billionaire's Club, Top 500 Firms Ranked by Mortgage Closings, Top 500 Firms Ranked by Title Closings and Real Trends Market Leaders.

That being said, [Active Website](#) would like to congratulate the following companies for their success this past year:

- [Charles Reinhart Company Realtors](#)
- [The Danberry Company](#)
- [Ebby Halliday Realtors](#)
- [The Group, Inc. Real Estate](#)
- [The Hasson Company](#)
- [The Kentwood Companies](#)
- [Milestone Realty Consultants](#)
- [Skogman Realty](#)

“We are very proud of all our Network members for having a great year in 2009. The REAL *Trends* 500 has always been a marker of success and having eight of our members making the list is a testament to all our hard work and efforts. We look forward to the rest of 2010 and the opportunities that are ahead of us as we pave the way as market leaders,” *John Sable, Managing Partner at Active Website.*

With the success of The Network being driven by innovation, members have shown substantial growth over the past year through the launch of several new websites and the integration of tools and features for a more responsive and engaging user experience. Through access to the latest technology in the industry, members can look toward the future and see nothing but opportunity as they continue to move technology forward in the coming years.

About the Enterprise Network

The Active Enterprise Network member base is by invitation only. Comprised solely of private real estate firms, The Enterprise Network does not accept national brands and only works with one company per marketplace. This exclusivity allows for open collaboration and sharing of information within The Network, free from any conflict of interest. The goal for members under The Enterprise Network umbrella is to address the technology demands that are emerging in today's changing real estate market. Together, Enterprise Network members can make the best decisions concerning implementation of systems and solutions, ultimately leveraging everyone to higher levels of business.
