Active Website and USAMLS Strike Deal

FOR IMMEDIATE RELEASE

Denver, CO – Active Website and USAMLS have negotiated an exclusive deal for Enterprise Members. With enhanced listing options and major online exposure, Enterprise Clients will benefit greatly from this agreement. Currently there are over 10,000 Enterprise member listings on the site with the number growing daily.

USAMLS (USAMLS.com) is a Free National Open Access Multiple Listing Service. The service tailors to different types of accounts for Realtors, Builders, and Consumers.

“The Enterprise Network is excited about the partnership with USAMLS.com. Syndicating our member listings is a very important part of what we do. We feel USAMLS is the most up-and-coming listing site in the country. This partnership ultimately will drive major traffic back to our members, accomplishing another one of our many goals,” according to John Gadeken, Enterprise Network Director.

USAMLS Members can upload the following information to the USAMLS website:

- Upload Property Photos
- Provide Complete Property & Pricing Details
- Add a Company Logo

Users visiting the USAMLS website can perform the following actions:

- View Properties
- Contact Agent
- Contact Broker
- View Services
- Search for Properties all over the country

About the Enterprise Network

The Enterprise Network member base is by invitation only. It is comprised solely of private Real Estate firms, meaning no national brands are accepted. We only work with one company per market place. This exclusivity allows for open collaboration and sharing of information within The Network, free from any conflict of interest. The goal for our members under the Enterprise Network umbrella is that they gather to address the technology demands that are emerging in today's changing Real Estate markets, and together make the best decisions concerning implementation of systems and solutions, ultimately leveraging everyone to higher levels of business.
